

PROTECT YOUR PETS

PET SAFETY

MONITOR YOUR HOME 24/7 WITH PROTECTION 1'S HOME AUTOMATION SYSTEMS

Secure your home and property by following these simple pet safety tips. When you leave your furry loved ones at home, rest assured they're safe and will be ok in the event of an emergency.

PET PROOF YOUR HOME

ELECTRICAL OUTLETS

Cover electrical outlets and tape down loose cords so your pets don't chew on them

TOILET

To prevent drowning or poisoning from cleaners, ensure that all toilet seats are down

WINDOWS

Keep windows closed or ensure that window screens are secured and sturdy so pets don't fall out

TRASH

Secure trash cans with lids and take out the trash regularly so pets don't rummage through it

DANGER ZONES

Check for spaces that pets can get trapped in and block them off

Wireless Security Cameras

CHOKING HAZARDS

Pick up loose items and anything smaller than your fist

IDENTIFICATION

Give your pet a collar that has your address on it in case they get lost so they can be returned safely

YARD

Make sure your mulch, flowers and fertilizer are pet safe

Video Surveillance System

Keep pets away from streets to avoid getting hit by a car

VETERINARY BILL
\$250-\$8,000

Keep your pets cool to prevent heat stroke

VETERINARY BILL
\$1,500-\$6,000

POISON CONTROL

EMERGENCY PHONE CALLS TO POISON CONTROL

MEDICATIONS

INSECTICIDES

FOOD

PLANTS & FERTILIZERS

CLEANERS & CHEMICALS

MEDICATIONS

- Make sure lids are firmly on all medications
- Keep medicines out of reach—store them up high and make sure all cabinets and drawers are closed

VETERINARY BILL \$250-\$2,500

HOUSEHOLD CLEANERS & CHEMICALS

- Hide cleaners and automotive chemicals
- Immediately clean up and patch leaks from car—one lick of antifreeze is enough to kill a cat

VETERINARY BILL \$2,000-\$6,000

PLANTS

- Put plants in hard to reach areas
- Keep only non-toxic plants in your home that aren't dangerous to your pet

TOXIC PLANTS:

- Amaryllis
- English Ivy
- Mistletoe
- Azalea
- Lilies
- Oleander

VETERINARY BILL \$1,000-\$4,000

FOOD

- Don't feed human food to pets
- Don't feed pets from table, clean up crumbs and spills immediately

TOXIC FOODS:

- Avocados
- Citrus Fruits
- Nuts
- Chocolate
- Grapes
- Raisins

VETERINARY BILL \$250-\$5,000

PET FIRE SAFETY

CARBON MONOXIDE

Have your heating system inspected every fall—monitored CO detectors will notify you when it's detected

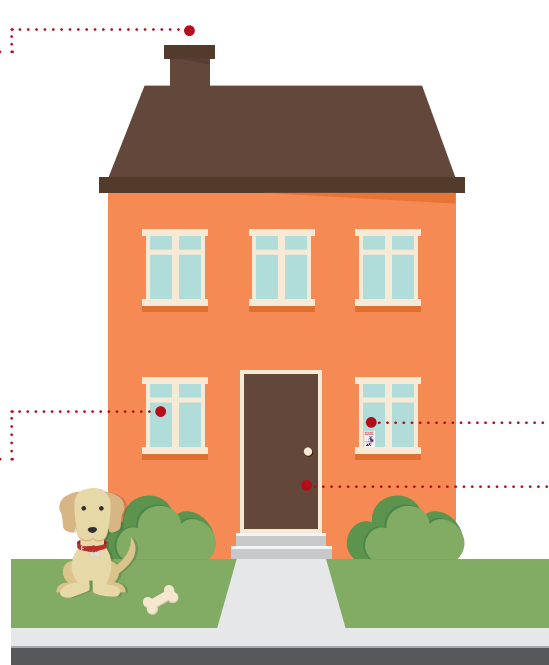

Monitored Carbon Monoxide Alarm

SMOKE DETECTORS

Be notified, even when you're not home, if smoke is detected so that help can come rescue your pet

Monitored Smoke Alarm

PET DECALS

Place pet alert decals on front windows to let emergency units know that you have a pet

Monitored Fire Alarm

TRUST YOUR NEIGHBORS

Give a key to a neighbor in case of an emergency to help get your pet out safely
